Radios

AM/FM Stereo Radios by Antique Automobile Radio. These are quality radios for Chevelles that have 200 watts 50 watts per channel and are all digital with push-buttons and flipper just like original. These were recently featured in Super Chevy Magazine. All radios are equipped with RCA inputs for CD player or XM tuner.

1966-1972: \$599.95

Dakota Digital LED Taillights

They are coated conformally which means moisture will not affect them and they have a lifetime warranty. They come with a voltage regulator so they have constant voltage with no dimming like others. Mounting is easy and has billet disc for a nice fit securely.

1964-1966: \$169.95
1967-1970: \$229.95
1971-1972: \$169.95
